創業明治元年

 濱田酒造株式会社
since 1868

This spirit offers a rich flavor and elegant taste.

Traditional mugi (barley) shochu stored in white oak barrels are matured further to bring out the unique aroma featuring a trace of sweet and rich vanilla.

The Japanese spirit is unlike anything else you have ever tasted.

Enjoy the exquisite balance of concentrated taste and mellow sweetness.

The mellow and rich taste deriving from koji mold matches Japanese as well as Western dishes.

Discover the various flavors and tastes brought out by different drinking styles.

Straight up

You can appreciate the rich flavor of vanilla and wood.

Chill ice-cold in the freezer

Enjoy the thick and mellow texture and rich flavor.

With ice

Enjoy the flavor and taste that change as the ice melts.

With water

Water gives it a milder and more polished taste and flavor.

With soda

Enjoy the refreshing taste as it goes down the throat. It matches Japanese, Western, Chinese and every other cuisine we know.
